Assembly

Head and Body:

1. Pin the head onto the body for extra support. You may need to add more stuffing as you sew.
2. sew the head onto the body.

Belly:

1. Pin the belly onto the body and sew into place.

Arms:

1. Pin the arm in a forward facing angle. There are no particular rows I place them on as it depends on how you stuff, shape, etc. its just better to judge how you want them.
2. Sew the arm onto the body.

Legs:

1. Turn the body upside down with the nose facing away from you.
2. Pin the legs onto the bottom of the body.
There are no special rows for this, just depends on the look you would like. I don't place mine in between any special rows. I just judge based on how the individual doll looks.
3. Sew the legs onto the body.

Tail:

1. Pin the tail onto the back of the body. There are no particular rows I place these on. I try to judge how it looks after pinned.
2. Sew the tail onto the body

Ears:

1. Pinch the ears at the bottom and sew about 3 stitches together to give it a closed look.
2. Pin the ears onto the head and sew them into place. There are no particular rows I sew these on. I try to judge them based on look.

Horns:

1. Pin the horns onto the top of the head right near the ears.
2. Sew the horns into place.

Spikes:

1. Pin the spikes onto the back of the body going down to the tail.
2. Sew them into place.
